## BOOK SYNOPSIS

Who doesn't need a little respite from the scorching summer sun and piercing heat? You need shade, cool breeze, and a gratifying cold drink. The relief happens to be momentary, but it is worth it. So here we are with several cool drinks this summer. You can prepare these cold drinks, shakes, and sharbats in just a few minutes without much fuss. Keep them ready in your refrigerator to fight off the summer heat and lethargy that you experience during hot summer season. All the best Simi Sachar
