This weaving made both stronger, nobler, and more vibrant expressions of who they were created to be. They were better together than either had been on their own. The wedding ceremony was but a beginning. It was the gateway to build their happily ever after. Each choice and action was designed to construct the life their union represented. Husband and wife walked into the great unknown with hearts, hands, and voices intertwined to express the love of their Creator. How did we lose touch with this profound love story?
